Shameless Buns is the Lower Mainland's only Filipino inspired food brand, specializing in creative and delicious sandwiches, loaded fries, house made sauces and the occasional wacky creation! We are one of the most popular and in demand trucks and have appeared on the Food Network, the Marilyn Denis Show, Daily Hive, Big Seven Travel, Vancouver is Awesome, CTV, CBC, Global, McLean's Magazine, and more! We are a big hit wherever we go and were recently voted as one of the best food trucks in Vancouver by Georgia Straight.

- Adobo Fries (Pulled Chicken)
- Fili-Pino Cheeze Steak Fries (Beef and Cheese)
- Jacked UP Coconut Fries (Jackfruit Coconut Adobo - Vegan/Vegetarian)

We should also mention, our fries taste like salt and vinegar chips, are extremely crispy and should definitely be experienced!
